

LAB REPORT

FROM THE DE LORENZO LABORATORY & EVALUATION

novaclean clipper spray

De Lorenzo Novaclean Clipper Spray has been designed for the efficient and rapid control of micro-organisms on clippers, scissors and other hairdressing tools. Ideal for sanitising between salon services.

DIRECTIONS FOR USE

- Allow equipment to cool down after use
- Ensure that clippers are switched off and disconnected from power sources
- Brush off loose hair from the blades after each use
- Spray Clipper Spray on the clipper heads and attachments
- Leave for at least 20 seconds to allow for the spray to contact the surface and to dry off before restarting the appliance

FIRST AID

For advice, contact a Poison Information Centre (Phone Australia 13 11 26, New Zealand 0800 764 766) or a doctor (at once). If in eyes, hold eyelids apart and flush the eyes continuously with running water. Continue flushing until advised to stop by the Poison Information Centre or a doctor, or for at least 15 minutes.

SAFETY

Clipper Spray is highly flammable. Avoid contact with skin and eyes. Keep away from heat, sparks, open flames and hot surfaces. No smoking. Keep bottle tightly closed and in a cool place. Use only in well ventilated areas.

INGREDIENTS

Ethanol 567g/L
