INSTANT *accentu8*

Derived from the sea, the Instant Accentu8 range volumises and invigorates fine hair with Baobab Protein and Seaweed Extract. These organic body building formulas deliver a veil of film formers to thicken hair without build up, offering weightless moisture that does not weigh hair down. The result is hair that looks and feels fuller and lasts the day.

PRODUCT RANGE

Accentu8 Shampoo

Gently cleanses fine hair leaving it with brilliant volume and shine, without weighing it down.

Accentu8 Conditioner

Contains a polymer used in sun care that coats individual hair strands to repel humidity and stop fly-away hair. The strands remain separate and do not mat together, resulting in bounce and elasticity.

Accentu8 Satur8

A hydrating foam that revitalises and detangles. Provides daily protection from the natural elements, improves softness and manageability. Reduces fly-aways. Suitable for all hair types, particularly good for fine, curly hair.

KEY NATURAL INGREDIENTS

Baobab Seed Protein

Provides multifunctional benefits to counteract damage to all hair types.

Seaweed

Seaweed draws moisture within the hair to help promote scalp hydration, which improves the condition of dry hair. Seaweed can also increase hair mineralisation, which leads to thicker hair.

Ginseng

Regenerates and revitalises the scalp for strength and protection of the hair.
