INSTANT *rejuven8*

The Instant Rejuven8 range extends the life of coloured hair and protects against UV damage with Baobab Protein and Ginkgo Biloba. Nurtured by berry fruits to replenish lost moisture whilst improving combability and imparting anti-static properties. Maximise colour vibrancy with these rich formulations that provide softness, shine and detangle coloured hair.

PRODUCT RANGE

Rejuven8 Shampoo

A mild cleanser with a rich lather that prevents colour loss and provides softening and moisture to the hair.

Rejuven8 Conditioner

A velvety cream that replenishes lost moisture and provides exceptional detangling of colour treated hair. Ginkgo Biloba protects against UV damage.

Rejuven8 Treatment

A colour safe hydrating treatment that repairs damaged hair, leaving an intensive feel and shine. Protects hair against colour fade and chemical damage.

Rejuven8 The Ends

A unique blend of shine and sealing actives that work together to moisturise, prevent split ends and eliminate fly-aways. The result is long-lasting smooth, polished hair.
